FAQs

What is your venue hire and per head cost?

There is a venue hire of \$2,500 at The Stables at Sages Cottage Farm which includes everything listed in 'The Lead up' and on 'the big day' in your package brochure.

As for what that price is, that depends on a lot of factors because we're not a 'cookie cutter' kind of venue. We allow you to build a unique package special to both of you.

Our event architects can help you with a quote for the wedding day that you are after, so please get in touch!

What is a minimum spend? What is it made up of?

A minimum spend is an overall amount that is agreed upon by both the venue and the client at a time of booking. It is the minimum amount of money the client must spend with the venue which can be made up of food, beverage or time in the venue.

Will the minimum spend increase?

No, once the minimum spend has been confirmed in writing on your booking agreement it will not vary.

How do I confirm my booking?

Just ring or email us and say "yes!" Then we will create a booking agreement and a deposit invoice for you. Once the signed booking agreement has been returned to us and the deposit invoice has been paid, your booking is confirmed.

Can I make a tentative booking?

We understand that making a decision on your preferred venue can take a little time and you may often need to consult your friends and family. So, we offer our potential clients a tentative booking for 3 days. This essentially places your name on the date but is not a booking. Once the 3 days has expired, we will contact you to confirm your decision, or to have your name removed from the date. Our venue is very popular, so, unfortunately, we can't hold a date any longer than 3 days, as we often have a waiting list.

How much is the deposit?

A \$3,000 deposit is required to secure your special day at The Stables at Sages Cottage Farm.

When is my next payment due after paying the deposit?

The 1st progress payment is due 6 months prior to your event date. The 2nd progress payment is due 3 months prior. Your final payment of the remaining balance is due no later than 7 days prior to the event date. Which means you get to relax in that final week and focus on more important things.

What is the next stage after paying my deposit?

A deep breath and a glass of bubbles... because you're officially getting married! But after that, you can expect an introduction email from our Coordination Team to introduce themselves, and also so you know who to contact moving forward. Then we give you a rest until around 10 months before your wedding where you will receive a planning checklist to help you get started. Within that checklist is a timeline so you'll know what to expect from then on.

How much is your children's menu?

Children meals are priced at \$60

How much do you charge for working guests?

Working guest meals (e.g. entertainment members, photographers, videographers, etc.) are charged at \$95 per person. Melbourne Event Group will provide full food and beverage service to working guests.

When do I have to give final numbers?

In order to make sure we order the correct amount of food, beverage and staff for your wedding, we do require that you inform us of your final guest (and supplier) numbers, including any special allergies, no later than 14 days prior to the event date.

Does The Stables cater for specific food allergies?

Yes, absolutely! We aim to provide suitable options for all our guests. We do, however, need adequate time to accommodate special requests and, therefore, all allergies must be confirmed alongside your final guest numbers 14 days before your wedding. A good way to ensure you get this information from your guests on time is to include a line in your invite which says: "Please RSVP with any allergies by this date"
