Great minds drink alike

Connections are at the core of everything we do and our beverage philosophy is no exception. We believe that every milestone should always be in the company of your closest bunch, with a satisfying drink in hand to mark the occasion.

Here at Melbourne Event Group, we believe in inspiring your senses. That's why we've searched far and wide to source an all-encompassing premium beverage line up. Consisting of legendary local and impeccable international wines, beers and cocktails, all are designed to enhance your experience/the flavours of our food.

Not all drinks are created equal and that's why we have consciously selected our beverage list based on their versatility, as well as their ability to match the soul of our menus; the perfect pairing to a long night of celebrations.
